#1 - As you can see the schedule for Friday afternoon is absolutely crazy. **Anyone performing before 2:15 needs to be at the venue at 1:00 to go through their number. If they are performing later they can dress in their costume after I see them.** I may not even have a chance to come down between numbers according to this schedule so you must be ready.

#2 - Dancers have the opportunity to write their own intro for this competition. If you would like to have a fancy introduction please submit a copy to Miss Kelly by Mar. 19th
